

Lou-Evil Psycles Motorcycle and Social Clubs

Louisville, Kentucky
USA

Phone: 502-939-8777

Lou-Evil Psycles Motorcycle and Social Clubs were established by 10 Founding Members January 1 2005 in Louisville Kentucky. Our Club is as diverse as they come. Made up of men and women of different nationalities age groups professions and backgrounds we all share a common passion...MOTORCYCLES.The Motorcycle Club is 100% ON-IRON and although not a requirement some of the Social Members ride as well. We always promote riding wherever possible.Second only to our bikes is the Club's support of local and national communities. Whether we organize or participate LEP averages 24-26 Community Service / Charity Events per calendar year. The Club has been featured on local news stations numerous times and was presented with a National Philanthropy Award from the non-profit assistance organization "Motorcyclist Who Care".In August of 2005 Lou-Evil Psycles launched its 1st Chapter located in the Washington D.C. Metro Area.Although our Club continues to grow we only invite a select few to share our Patch. Want to know more... ask any Member what it takes.
