

Brightside

Louisville, Kentucky
USA

Phone: 502.574.4030

Brightside is uniting people in clean and green activities to beautify the city and foster community pride. Brightside is unique because it functions as a public/private partnership, merging the resources of the Metro government with those of private citizens. Being both a 501(c)3 and a government agency this means that Metro government covers a portion of our administrative expenses and all programs are run entirely on privately donated dollars. Contact us today for more information, subscribe to our newsletter, e-newsletter or get involved. Brightside has been keeping Louisville clean and green now for over 25 years! Our accomplishments were made possible with support from our donors, sponsors and volunteers.
