Have You Or A Loved One Been In An Accident? At Isaacs & Isaacs, we have been winning personal injury cases for the people of Kentucky, Indiana, and Ohio for more than twenty years. We understand the devastating injuries and pain that can be caused by car accidents, truck accidents, and other personal injury incidents. We also understand the mental and emotional toll can be just as debilitating as the physical aspect*: Depression, and sleepless nights dealing with insurance companies, bills, forms, red tape, anxiety and depression over lost jobs, finances, and the potential lifelong impact to your health. It's time to call Isaacs & Isaacs. Our team of experienced attorneys can deal with all the letters, phone calls, and red tape while you focus on just getting better.
